

Bordesley Green East Nursery School Autumn Term Newsletter 2023

Warm Welcome

We would like to give a warm welcome to all our new and returning children and their families. The children are settling well into school life, building relationships, making friends and learning new routines.

If you have any concerns please speak to your child's key worker in the first instance.

Getting Ready for Colder Weather

Can parents make sure that their child comes in warm clothing. Please bring them in a warm coat with a hood. They will also need a woolly hat, gloves, mittens a scarf and wellington boots as it gets colder.

We go out in all weather conditions so that the children still gain different experiences.

Spare clothes

Please bring in a spare set of clothes as children can get wet. We also encourage our children to be involved in messy play activities and encourage parents to please send children in clothes that they will not mind their child getting dirty in, as it is all part of their learning and development!!!

Labelling Children's Clothes: Please label your child's clothes especially coats as many children have the same or similar.

Safeguarding information

If you have a safeguarding concern about a child within our school please speak to one of our DSL (Designating Safeguarding Lead)

Designating Safeguarding Lead - Valerie Daniel

Deputy Designating Safeguarding Leads - Jatinder Kaur or Sadia Akhtar

School Fund

The Governors and staff at Bordesley Green East Nursery are continually looking at ways to develop and improve the school and we are proud of the welcoming and stimulating learning environment that we provide for our

children. Unfortunately we have seen a reduction in Government funding over the last few years and we no longer have the funding to pay for resources that enrich the children's learning environment and extracurricular activities. We are asking parents for a weekly contribution of £1 or for this half term £7 please.

We will use this to provide ingredients for baking, materials for creative play, seeds to plant and props for role play as well as Forest School resources.
